

Dear Supporter:

Medicine Hat's most exciting and most respected conservation event is hosting their 26<sup>th</sup> annual fundraiser. The Annual Banquet and Auction of **Chinook Pheasants Forever** will be held Friday **March 9<sup>th</sup>, 2018**.

**Chinook Pheasants Forever** is not a large organization but we are a local organization that is dedicated to giving back to the wildlife in our area. All money raised stays in Medicine Hat and south-eastern Alberta to build and restore habitat for pheasants and other wildlife. With the monies raised, **Chinook Pheasants Forever** with support from Cypress County, County of Forty Mile and PFRA has planted over 400,000 trees in the past two decades. Six times **Chinook Pheasants Forever** has been recognized as one of the top 25 tree planting chapters in North America, an accomplishment of which we are very proud. We have formed strong partnerships with Alberta Conservation Association, Ducks Unlimited Canada, and Alberta Fish & Game and participated in six land purchases in the last eight years.

Since 2004 Chinook Pheasants Forever has contributed \$213,000 to secure 5919 acres, these lands are open year round to the public for recreation purposes and are foot access only.

To realize our new objectives for 2018, we are planning to raise over \$50,000 at an estimated cost of \$18,000.

Contributions to our silent auction, live auction, raffles, and cash contributions are recognized in the banquet program. Our auctioneer ensures products and corporations are identified. Our committee also places emphasis on great merchandising and signage for all contributors. We ensure our **Pheasants Forever** banquet offers strong community recognition for our donors and sponsors with traditional and new media.

Would you like to attend our function or contribute? Our tickets are sold in advance so please let me know quantities. Connect with us on Facebook at ChinookPF, preview the event on the banquet page at [www.pheasantsforeverchinook.ca](http://www.pheasantsforeverchinook.ca).

Your earliest reply of your contribution is requested in order that we may recognize you in the program and complete any required signage. I sincerely hope you that we can count on your support for this great cause.
